

South Barrington Garden Club Scholarship Application

The South Barrington Garden Club offers at least one scholarship of at least \$1500 to a graduating senior or college student with a demonstrated interest in an environmentally related field (for example: horticulture, landscape design, agriculture, botany, forestry, plant pathology, conservation, urban planning, natural resource management or environmental engineering). Applicants or their parent(s) must reside in High School District 220 or 211 or in the surrounding area.

Please complete both sides of this application - either printed legibly or typewritten. You may use an additional sheet of paper to answer questions if needed. An official sealed copy of your school transcript must be attached. Request two letters of recommendation from people other than your immediate family and ask them to mail the letters to the address below. Do not enclose the recommendations with your application. Incomplete applications or applications without transcripts will not be considered. Scholarship winners will be notified in early June.

Please direct any questions to Rose-Marie Gerdisch at 941-993-5377 or telerose@jesslex.com.

Application deadline is Monday, May 1, 2023. Completed applications and letters of recommendation should be mailed to:
